Hi Jason,

Is it okay for me to deliver the FRN to the Federal Register Office today?

Thanks,

Hi Taukecha and Jason,
Tina and Mary are both in RTP – in the same meeting. That's why we delegated to James Avery to sign both FRNs (PM and ozone).
Thanks,
Tina

I haven't seen her today, but I think she is supposed to be around. I added her to this email chain.

Is Tina in RTP too? An original handwritten signature is required for FRNs, so it's best to have James review and sign.

Ah OK. I didn't realize that since I saw her in RTP yesterday.

Thanks for letting me know.

Tina is on travel. Mary Ross is the normal reviewer, but she's in RTP, so James is reviewing the FRN for her.

Hi Taukecha,

Good catch. I think it should actually be this link: <https://www.epa.gov/criteria-air-pollutants/process-reviewing-national-ambient-air-quality-standards>

Also, quick question. I just noticed Tina is not listed at the end of the FR notice, but James is instead. Just curious as to why?

Thanks!

Hi Taukecha,

Here is the action info. Sorry for the delay, I just wanted to run it by a few folks here to get some additional eyes on it before sending it back to you. Let me know if you have any questions.

Thanks!
